

and

the

Mrs Dalloway in Bond Street

the

her must thought how

how now seemed there you again

and people all as late as the season

but was morning hand gloves

what she thought of the for

corriage to counter with on a very

would that little life of any other

lady as if she could be passing out

of as if she can come there at

stacking of her own to the at

what girl in the and size one of

and and size one of

she and clarrissa voice so great

right day in any outlandy old which

she said said my myself there

had used by looked charming

looking well
